

1st Wargrave Wildcats-Annual report 2015-2016

It has been a quiet year really, although we did go on camp.....
And on a 10 mile bear hunt.....
We helped make sure the Wargrave runners didn't get dehydrated.....
We climbed trees at Dinton pastures.....
We went to the fun day at Gilwell Park, the home of scouting.....
We entered the Wargrave festival float procession and sang the loudest.....
We built rope bridges in Bowsey woods.....
We beat the parents at silly games, of course.....
We are very proud to be WILDCATS.....
We played conkers, Sam's arm was broken before we started, promise.....
We entered the Loddon District scrapheap challenge.....
And WON!

We learnt about what it was like to be evacuated from Tony Elliot of the British Legion.....
And then proudly took our place behind the British Legion in the Remembrance Day parade.....
We entered the district chess competition.....
We sang at the Christmas concert.....
We invested Jacq., Chloe and Ava.....
We celebrated Burns night with Haggis, neeps , tatties and BILL.....
We entered the district quiz.....
We celebrated Chinese New Year with some dragon dancing.....
We learnt what foods are good and which are not, for our teeth.....
We went bell ringing and got to make great shadows on the church walls.....
We made a shelter big enough for the whole pack.....

And WE WON the District shelter building competition.

I expect next year will be a quiet one too.....

Wildcats is led by Simon Smith (Akela) assisted by Richard Best (Baloo), Christine Walker (Kaa), Chris Bookless (Otter) and Henry Best (Explorer scout young leader) and also with the assistance of Daisy Rodgers and Ed Fry (Duke of Edinburgh young leaders). The leaders would like to thank all the parents for their support over the past year and the speakers who give their time so readily particularly Mr Bill Bookless and Mr Tony Elliot. The leaders would also like to thank all members of the group executive without whose time and effort we would not be able to put on the exciting range of activities that the cubs so clearly enjoy.
